Lady Astor, However, Boldly Achieves Success in Politics BY CAROLINE VANCE. Special Correspondent of The Stand-ard-Examiner. Copyright, 1922, by The Standard Examiner. WASHINGTON, April 8 - This week we hade farswell to Margot Asquith, next week we will wolcome The visit of Margot hes brought about in some quarters, a remaissance in the belief that women can sance in the belief that wonich can exert the greatest power in political affairs through "indirect influence."

The visit of Lady Astor will strengthen the strong light arms of the ladies who believe in the direct method of desling with politician—that of brandishing votes in field

MARGOT LIKES

SILENT POWER

faces.
These two British quests of ours represent two opposing whools of though, among women and controversy is rampant in America just now as to just which of the feminine influences, the direct or the indirect, is the more effective in snaping the course of history.
The business of being a "power behind the throne," in which women have engaged since the days of Samson, was supposed to have some bloosy when the "new woman" intered the field with ballots in her hand.

The importance of undirect influ-The importance of shores is the ence" has been much minimized since the enfranchisement of vamer but has been flour, ing nevertheless is a quiet way in the capital since the publication of Margot's memo'r and her visit the business of "indirect influencing" has been actually bounding. SENATOR SPILLS BEANS.

For did not Marget mile of Square Toed Asquith with his saiddle class bringing up and his security or conduct into a gay dog of Lon-don society and eventually into a promier " With the advent a mangot these wives in official Washing-ien who had not stready got into the game of "making husbands" and mixgame of "making busbands" and mixing a linger into national legislation nurried into it and then some schafor spilled the beans all over the senter floor "when he mentioned the existence of a 'social bloc'."

We have two women in this country who will do for purposes of contrast what Margot does to Nancy.

We have an Alice Roosevelt Longworth who is reputed to have a suoile clety was conducted. Mrs Clancy Smith was elected president to serve the remainder of the term in place

the remainder of the term in place of Mrs White. Two letters from Mrs. White, describing their trip to California by auto, were read. A splendid paper on What the World Needs Today," was given by Mrs. L. Hutsinpillar and ably discussed by Mrs. W. Kerr. Mrs. Dunstan followed with a very interesting chapter from the A. B. C. diary. During the social hour the hostesses, Mrs. Amy Webster and Miss Mabel Dunn, worth who is reputed to have a suctle influence upon national legislation through the instrument of a social political salon, and we have a Maud Wood Park the leading woman lok-byist who beards legislators in their offices waving her ballot as she would a mallet in demanding better baby legislation, equal properly rights, etc. HAS FASCINATING AIR.

To the country at large, the for-mer Princess Alice has disappeared from the picture. What has become of Princess Alice is a query upon the lips of those who chance to remember the dashing and daring feminine figdance given Saturday evening, April 1. in the K. of P. hall, was one of the most successful social events yet of Princess Alice is a query upon the lips of those who chance to remember the dashing and daring feminine figure of the Rooseveit administration. She is not now in the public eye and she means to stay out, never submitting to an interview and never becoming interested in the various causes of women. To be a silent influence and invisible power, that, it is said, is her desire. One sees her day after day sitting in the gallery of the senate retaining all the careless fascinations of her girlhood, intent upon the discussion of the floor. One hears of her dinners where the powers that be break bread and gossip puts two and two together, calling her drawing room a political sa-Pythian Sisters will have initiation
